## STORY

I've always been passionate about designing what a user sees. I studied the UX process to expand on my skill set as a visual designer, and also to learn the why and the how behind what makes a truly powerful user experience.

## EXPERIENCE

**Houghton Mifflin Harcourt** *New York, New York*

*Sept. 2015 - Present*

DESIGN ARCHITECT

Designed pixel perfect icons, assets, and layouts for the digital math tools and games of *Do the Math* and *Math Expressions*.

### Small Freelance Projects
